Dear Friends,

Vacant Position on the Anglo-American School Board

As you may know, there is currently a vacant position on the Anglo-American School Board. I would like to invite expressions of interest from parents and the wider school family in the vacancy.

The Board is comprised of nine members drawn from the UK and US Embassies, independent members nominated by the UK and US Ambassadors, and from among the school community.

Membership typically entails monthly board meetings – up to ten a year; serving on a Board sub-committee – again a monthly meeting; and a couple of away days a year – often at weekends. It is an investment of time and effort, but also a rewarding role, and a genuine opportunity to bring your insights, experience and energy to bear. It is also a big service, helping to shape the strategic direction of the school, and support the leadership of AAS.

If you are interested and ready to welcome the challenge, please kindly send to my attention a short expression of interest setting what you would bring to the role as well as relevant Board, corporate, civil society or educational experience. A CV would also be welcome. Please also let me know of any constraints on your time in serving on the Board.

I will be grateful if you could submit your application to me by 19 August 2022. Thank you in advance.

With best wishes,

A handwritten signature in black ink, appearing to read 'R. Dixon'.

Dr Rob Dixon
